SUBMISSION OF SUBSTITUTE COMBINED DECLARATION AND POWER OF ATTORNEY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Request for Corrected Patent Publication was previously filed in this application. The decision on that request indicated that the priority claim to German Application No. 103 14 094.8 filed on March 27, 2003 has been deleted from the Patent Office electronic records because the Combined Declaration and Power of Attorney originally filed in this application did not include a priority claim to such German application.

Submitted with this paper is a newly executed Combined Declaration and Power of Attorney which references the earlier filed German application and confirms the claim for priority to this application that was previously presented in this application. Also submitted is a Supplemental Application Data Sheet identifying the claim for priority to the earlier filed German application. The Application Data Sheet originally filed with this application included the same priority claim information. However, because the September 17, 2007 decision by the Office of Petitions indicates that the priority claim to the German application was deleted from the

Patent Office electronic records, the Supplemental Application Data Sheet is being submitted.

Should any questions arise concerning this matter, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
